

Installation Instructions

Smart AC Ceiling Fan Controller

Product Code:
KASTA-FC150A

APP Installation

Visit www.kasta.com.au or your app store to download the free KASTA app.
iOS: requires iOS 9.0 or later.
Android: requires Android 4.4 or later.
Devices must support Bluetooth 4.0

Important Safety Information

- This product must be installed by a licensed electrician in accordance with all the requirements of AS/NZS 3000 (current edition) and other relevant Standards and Regulations.
- Electricity MUST be disconnected prior to installation. Failure to do so may result in serious injury and or loss of life.
- Indoor use only. Not suitable for damp or explosive environments.
- Complies to Australian Standards AS/NZS 60950.1:2015, AS/NZS CISPR 15.
- No user serviceable parts inside.

FEATURES

- Control of AC ceiling fan motors (max. 150W load).
- Provides capacitor switching for 3-speed control of fan speed.
- Contains relay for ON/OFF control of fan light (max. 300W load).
- 7 wire connection for power, fan, light and switch mechanisms (momentary push button).
- Wireless Bluetooth Mesh communication.
- Can be paired with KASTA remote switches for 1 or 2 button operation of fan speed and control of fan light (8x maximum per fan controller).
- Configured and controlled using the KASTA app (iOS and Android).
- Supports Group, Scene, Timer and Scheduling automation functions.
- Built in overvoltage and overcurrent protection.
- Easily installed under the fan canopy.
- 3 year warranty.
